THE NEW GENERAL DATA PROTECTION REGULATIONS (IN FORCE 25TH MAY 2018) AND HOW THEY AFFECT THE CLUB AND MEMBERS.

- 1 These regulations will have a similar reach as the Health and Safety Regulations and the club must be in a position where we comply before the due date.**
- 2 Privacy and Security Notices have been produced to comply and are attached to this email. They will be found on the Home page of the BSCC website.**
- 3 To comply would be necessary for club members' details on the website to be encrypted with members accessing through individual passwords. This is impractical at this time and we will remove the current members' telephone and email lists from the website on the 23rd May 2018.**
- 4 In its place a printed list of member telephone numbers will be produced and available from the clubhouse before the 23rd May.**
- 5 Where the members' personal information database is being transferred by email this file will be encrypted.**
